

About Evolved LLC

At Evolved, we make compliance effortless. Tax is a major priority for any company; we help business owners protect their credibility, relationships, and profits with full-service business and tax consulting services. Whether investigating the most complex situation or simply helping tackle the nuts and bolts of tax regulation, we are an experienced and agile team that ensures it gets done right.

We are currently seeking a highly motivated individual with proven business, technical and leadership acumen to apply for the following role:

Tax Manager

Job Summary:

As a Tax Manager, you will provide all aspects of the tax planning, preparation, and review process for all tax engagements. You will oversee all miscellaneous tax projects and conduct complex tax research to support the client's tax compliance and reporting. Perform review of all tax workpapers and returns and ensure that all review comments are cleared prior to filing. Maintain client relationships and assist firm leadership in identifying new work and in obtaining new engagements. Through your understanding of complex tax concepts, you will collaborate with the engagement team and client management to prepare effective approaches to tax situations. You will also analyze tax information to assist in the development of recommendations and implementation plans for complex engagements and decision-making areas. Our culture focuses on leadership at all levels, therefore you will be expected to demonstrate the ability to develop, motivate and mentor staff.

Job Duties and Responsibilities:

- Advise clients on a full spectrum of tax services: planning, research, compliance, provision.
- Responsible for the delivery of a full range of tax services for multiple clients in a wide variety of industries.
- Tax compliance, partnership returns, joint venture, corporate, and non-corporate entity tax returns, and combined state tax returns.
- Manage, direct, and monitor multiple client services teams on client engagements.
- Interact closely with assigned tax clients to provide innovative tax planning, consulting, and compliance expertise to clients while managing the client assignments to budget.
- Plan, execute, direct and complete assigned client tax projects in a wide variety of industries, including private equity.
- Conduct primary and secondary review of partnership and corporate income tax returns.
- Have a proficient working understanding of Sub-chapter K-Partnership taxation and be able evaluate the tax aspects of partnership agreements.
- Direct and monitor the state tax compliance and composite filing activities.

evolvedtax.com

- Manage, develop, train and mentor assigned tax staff on tax projects and assess their performance for both engagement and year-end performance reviews.
- Work closely with tax partners and other tax staff on client management, practice development and business development activities.
- Maintain active communication with clients to manage their expectations, ensure client satisfaction, make sure deadlines are met and lead change efforts effectively.
- Consult, collaborate with, and service clients to make recommendations on business and process improvements, and serve as a business adviser to client.

Qualifications:

- Bachelor's or master's degree in accounting, tax, or other closely related field
- CPA or EA license.
- 5+ years of federal tax experience in public accounting, partnership, or corporate tax department; experience with entity structures in addition to a general level of knowledge in other areas of taxation, including trusts and individuals.
- Excellent analytical, technical, and tax accounting/technology skills with proficiency in US GAAP, state tax compliance, partnership returns, joint venture, corporate and non-corporate entity tax returns and combined state tax returns, is required.
- Exceptional client service and communication skills with a demonstrated ability to develop and maintain outstanding client relationships, is expected.
- Strong leadership, business development, training, coaching, and mentoring skills, are preferred.
- Excellent written, interpersonal and presentation skills are required.
- Advanced tax software experience, including knowledge of various tax software packages and technologies is required.

What we offer:

- Generous PTO and firm-paid holidays.
- Competitive benefits package including 401(k) employer contribution of 6% and 100% paid employee only medical coverage.
- Firm-sponsored trainings and investment in external trainings.
- Fun firm-sponsored events like semi-annual outings and networking events.

All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status.
